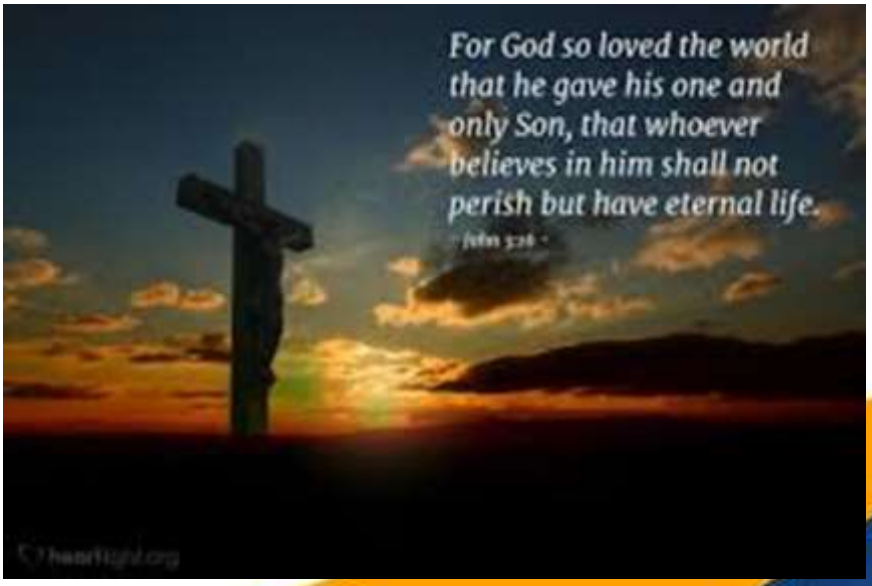
19th March 2021

Our Virtue To Live By is.....Forgiveness

This Lent, some of our year 3 children will begin their journey of Reconciliation. It is not just a time to begin this journey, but to continue this journey and renew the gift that was given to us when we made our First Confession. Let us be outward in our faith and show our children that receiving this Sacrament again and again, strengthens our relationship in God.



(John 3:14-21):

We celebrate Saint Joseph's Feast Day

Your child is invited to take part in creating an Easter bonnet in the Easter holidays.

To enter the competition please send us a picture of the Easter bonnet to admin@sjp.bkcat.co.uk

(Please do not send the bonnets into school) .

Mrs Tomlin will pick the winners.

Thank you to Jasper who bought footballs for the school out of his own pocket money. That is very kind of you!

French Feature vendredi 19 mars

The cheese is normally Gruyère or Emmental and is normally placed on top as well as inside and the sandwich is then baked or fried so that the cheese melts and the bread becomes a little crusty. Sometimes, restaurants add a bechamel sauce to give added flavour.

A popular item in a French Café

The title Croque Monsieur comes from "croquer", to bite and "monsieur" meaning mister. It's literally a gentleman's sandwich. The Croque Monsieur is made of bread, cheese, ham and sauceIt is made of simple ingredients found in any French home; bread, cheese and ham. The bread is usually a more sweet version of normal bread, a bit like *brioche* ("*pain de mie*"). Sometimes it can be dipped in egg before being grilled, although many households make it just using normal sliced bread.

Sometimes, an egg is added on top, forming a "*Croque Madame*". The name is supposed to relate to a woman's hat and became common in the 1960s. A "*Croque Made moiselle*" is a much rarer vegetarian version, minus the ham, and with cucumber and chives.

For the latest government advice please visit—https://www.gov.uk/coronavirus

We will continue to adhere to Government guidance and continue to keep you updated.

When an individual develops coronavirus (COVID-19) symptoms or has a positive test. Pupils, staff and other adults must not come into the school if:

• they have one or more coronavirus (COVID-19) symptoms

• a member of their household (including someone in their support bubble or childcare bubble if they have one) has coronavirus (COVID-19) symptoms

•they are required to quarantine having recently visited countries outside the Common Travel Area

•they have had a positive test

They must immediately cease to attend school and not attend for at least 10 days from the day after:

•the start of their symptoms

•the test date

If anyone in our school develops a new and continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell(anosmia), they will:

•be sent home to begin isolation-the isolation period includes the day the symptoms started and the next 10 full days

•advised to follow the guidance for households with possible or confirmed coronavirus (COVID -19) infection

•advised to arrange to have a test as soon as possible to see if they have coronavirus (COVID19)

Other members of their household (including any siblings and members of their support or child care bubble if they have one) should self-isolate. Their isolation period includes the day symptoms started for the first person in their household, or the day their test was taken if they did not have symptoms, whether this was a Lateral Flow Device (LFD) or Polymerase Chain Reaction (PCR) test), and the next10 full days. If a member of the household starts to display symptoms while self-isolating they will need to restart the 10 day isolation period and book a test.

Safeguarding News

Please continue to be vigilant of children in your local area and report any and all concerns to Wakefield social services 0345 8503503.

If you have concerns for a student at our school please contact the school and ask for the safeguarding team.

NSPCC Website 'Share Aware' provides straight forward, no-nonsense advice that will untangle the web, and show parents how they can be just as great a parent online as offline. It includes a guide to social networking sites, a parents' guide and tips about how to talk to your child about staying safe online.

Tackling CSE is a priority for West Yorkshire Police and it is the responsibility of everyone to help spot the signs and say something.

National Child Exploitation Awareness Day was yesterday (18th March), we want the world to unite against child exploitation.

Child sexual exploitation (CSE) is a form of sexual abuse that involves the manipulation and/or coercion of young people under the age of 18 into sexual activity.

The National Child Exploitation Awareness Day aims to highlight the issues surrounding Child Exploitation; encouraging everyone to think, spot and speak out against abuse and adopt a zero tolerance to adults developing inappropriate relationships with children or children exploiting and abusing their peers.

NWG are committed to the fight against CSE & CE and supporting victims and their families who are subjected to child exploitation. But they cannot succeed without the support of people like you.

Together, we can work to inform, educate and prevent child abuse within the UK. Please visit the website https://www.stop-cse.org/national-child-exploitation-awareness-day/ for further information.

St Joseph's supports and advocates 'Operation Encompass' Operation Encompass is a unique Police and Education early intervention safeguarding partnership which supports children and young people exposed to domestic abuse. Operation Encompass is the reporting to schools before the start of the next school day, when a child or young person has been involved or exposed to a domestic abuse incident the previous evening. It enables children to arrive at school and have their needs met, by trained Child Protection staff, who have been informed of the child's 'experience.'
