Module Three: Created to Live in Community explores the individual's relationship with the wider world. Here we explore how human beings are relational by nature and are called to love others in the wider community through service, through dialogue and through working for the Common Good.

Early Years Foundation Stage:

- Children will learn that God is three in one: Father, Son and Holy Spirit
- Know that they are loved and called to love others
- Learn about the different communities they are part of and the responsibilities they have to them

Key Stage One:

- Children understand that God is love: Father, Son and Holy Spirit
- Learn that being made in His image means being called to be loved and to love others
- Learn about the various communities they belong to: home, school, parish, the wider community, the nation and the global community
- Know that God calls us to live in community with one another

Lower Key Stage Two:

- Children will develop a deeper understanding that God is love as shown by the Trinity
- Understand that the human family reflects the Holy Trinity in mutual charity and generosity
- Know that the Church family comprises of home, school and parish
- Catholic Social Teaching on what it means to work for the Common Good

Upper Key Stage Two:

In the first Unit, Religious Understanding, the sessions help children to develop a concept of the Trinity at a level appropriate for their learning stage. They learn about the creative circle of love between Father, Son and Spirit. Children will learn that just like the Trinity of God, we are made to love God and love others, and we are made to be loved by God and others. This extends not only to us, our families, our friends and our personal relationships, but also to the wider world.
