Dear Year Six Parents/Carers,

I am writing to provide you with an update regarding the year six teaching position. We are currently in the process of externally recruiting and will continue to provide you with any further updates as soon as we have them.

I recognise that some of you may be feeling unsettled not knowing who will be teaching your child in January. I sincerely empathise with this. I wanted to reassure you that I know for you as parents, it's the importance of what year six represents; their final year in primary education. I know you are all looking forward to the children experiencing the residential, the year six production, leavers Mass, amongst many other things. We are working hard to ensure that we recruit the right person to our team for the good of our children and their education.

I thank you all for your support at this time. I will write to you again as soon as I can.

Best wishes  
Mrs Velayudhan Tomlin
