Dear Parents/Carers,

We would like to take this opportunity to update you on the excellent progress our Year 2 pupils have made recently. As part of our ongoing assessment process, the children recently undertook some practice SATs papers in reading and maths, and we are delighted to inform you that the results have shown significant improvement across the board.

The pupils have demonstrated an exceptional level of mathematical understanding, showcasing their skills and knowledge in this subject. They have demonstrated their maths fluency and are using this to answer reasoning questions.

We are proud to announce that our writing judgements have been verified during the Local Authority Moderation process. Miss Buxton, our Year 2 teacher, received commendation for her exceptional organisation in preparing for this meeting. We truly appreciate her dedication and commitment in ensuring accurate and reliable assessments for our pupils.

Moreover, we would like to acknowledge the collective efforts of our entire Year 2 staff. Each member of the team is working diligently to ensure the best possible outcomes for the children. We have a clear program of support and appropriate interventions in place to meet the individual needs of each pupil, fostering their growth and progress.

We would also like to highlight the invaluable support provided by Mrs Smith, who continues to work alongside Miss Buxton in delivering phonics lessons across Key Stage 1. Mrs Smith's dedication and expertise contribute significantly to the advancement of our pupils' literacy skills.

We would like to extend our thanks to Miss Buxton for consistently creating engaging and inspiring lessons. Her efforts were recognised during the recent RE inspection, and we attribute this success to her creativity, commitment, and effective teaching methods. We are thrilled by the high-quality work produced by the children, which we have shared on Dojo, and we will continue to keep you updated with these delightful moments.

We believe that the collaborative efforts of our dedicated staff, the hard work of our pupils, and your support as parents collectively contribute to the good progress made by Year 2. Together, we can provide the best possible education for our children and foster a positive learning environment.

Thank you for your continued support.
Best wishes

Mrs Velayudhan Tomlin
