Dear Parents and Carers,

I am writing to express my deepest gratitude for the constant encouragement and support that you have provided to your child and our school community. Your involvement in nurturing a positive learning environment has had a significant impact on the overall well-being and education of our children. I would also like to thank you all for your messages of good luck, your kind words and your contributions to the parent surveys during our Ofsted inspection.

During the inspection, our children represented their families, as well as our school community incredibly well, as they always do. It is always a pleasure to come to work and be surrounded by them. They are a true credit to you as parents and I thank you all for sharing them with us. I hope you spend the weekend celebrating them, as I am sure you do all of the time.

Finally, I would like to thank my wonderful team, it is an honour to work with kind and compassionate people, who are committed to delivering a high-quality Catholic Education to our children. They always work tirelessly, but this week they have given even more. I thank each and every one of them.

Once again, thank you for your ongoing support and your contribution to our school community.

Best wishes,  
Mrs Velayudhan Tomlin
